

# Gender Bias in the Media: Roundtable Discussion

Sponsored by the Florida Commission on the Status of Women in conjunction with the Women's Studies Program, Sheppard Broad Lecture Series, the School of International & Public Affairs, and College of Arts & Sciences of Florida International University

Join the Florida Commission on the Status of Women, women leaders and media representatives for this important discussion regarding the coverage of women candidates in the current and past elections cycles as we engage in an open conversation regarding the problem of gender bias, the consequences and solutions.

The program is free and open to the public.
